Mr. Vincent Buonanno Custodian

Vinny participating in our "Saturday Knight Live" pep rally

Mr. Vincent Buonanno, known to all of us as Vinny, retired this year after over 10 years as a custodian at NAHS. Vinnie brought his warm heart and kind smile to work everyday and reminded us the importance of maintaining a clean building and cafeteria. He was willing to interact with students and build positive relationships with everyone at the high school. Vinny pushed me to remind the students to clean up after themselves and to keep the signs off of the paint. I will miss Vinny s diligence and kind smile that helped to keep our 8-year old facility beautiful. I wish him all the best and a happy retirement. - Chet Jackson,

Vice Principal

"Vinny was and still is a kind and beautiful man, he made my days at NAHS wonderful."-Sean Keough (Junior)

"Vinny was always smiling, he brightened everyone's days. His laughter and cheer filled the hallways. I believe every student that has attended NAHS and that has met Vinny will always remember the influence he had on us." A.J. Neukuckatz (Junior)

"Vinny was such a nice and funny guy! I am sure everyone will remember him here at NAHS! I wish him the best!" Branden Kukas (junior)

Pam Mesquita Career Counselor

I have been blessed by Pam Mesquita's friendship during the past fifteen years. A true advocate for students, Pam has served as a counselor, a mentor, and a role model for the countless teenagers who have had the fortune to cross her path. Pam believes in the intrinsic value of each person and has helped so many reach their greatest potential. Her influence goes well beyond the classroom.

In addition to her role as career counselor in the school, Pam has helped to create and mold the Advisory Program, has served as class advisor, has run the Sunshine fund for the faculty and staff and has hosted the annual end of the year party for the faculty. Whenever a student asked her to chaperone a dance, a prom or any other event, she readily replied "Yes" and would then volunteer her husband, David, as well. Her life has been devoted to her service for others.

Pam, may you and David enjoy wonderful years together in your retirement. No one deserves happiness as much as you.

Love,
Mary Gregoire, English Dept.

Pam can always make anyone smile. Julia Sapienza (Freshman)

"Thank you Pam Mesquita for being such a huge inspiration!" - Colleen Graham (Senior)

William Ward once said "The mediocre teacher tells. The good teacher explains.

The superior teacher demonstrates. The great teacher inspires."

Pam you have been an inspiration.

Pete Concannon

"Pam helped me so much throughout high school. I probably would not have gotten this far without her help! She is so caring and loving! I love her so much, she is like a second mom to me! Thank you so much Pam."-Hayley Gillen (Junior)

"I have only had the privilege of knowing Pam Mesquita for one trimester, but it has felt like significantly longer. She is one of the most knowledgeable, loving, and caring, individuals that I have ever met. I have learned life lessons from her that I will never forget. Her stories taught me things that a conventional classroom couldn't. When I joined pathways I had no idea that I would meet someone that I could really trust. She deserves the very best, and I will miss her to pieces next year!" Bianca Barcelos (Senior)

The Editors

Yearbook Staff: Emma Tschirhart Allie Mitchell Marianna Paradise Lexeen White

Advisors: Mrs. Amy Wolf Mrs. Elizabeth Lariviere

was a daunting task. We came in thinking that this was going to be a simple commitment, that it wasn't going to take up much time and that it would be easy. We were terribly wrong. We learned fast about deadlines and the little details that make up a page, that we don't just edit things once, we edit them 10 times. And of course how to handle our long frustration over superlatives. But as we learned we got better and became more productive as a team. We struggled a bit at first with the theme, but after countless searches through books and websites we finally settled on Going, Growing, Gone. The theme represents the transformation of a student throughout the years of high school. This yearbook means a lot to us because it showcases our high school years. It is not just a book of pictures to us; it captures our memories and our great experiences. Although the worst part was probably filling in all the candid pictures, we realized that it was probably the most important. High School isn't all about the academics; it is also about building relationships and making memories. We tried our best to capture memories from all different groups of people that attend our school. Our diversity is what gives NAHS its character, and defines who we are individually.

All four of us can agree that creating this yearbook for all of you

Working on the yearbook staff has been a privilege. We have created bonds and learned more about ourselves than we knew we could. We learned what we, as people are capable of. The responsibility of creating this book has prepared us for responsibilities in our future. As editors we have grown together with each picture placed and every task checked. But four girls wouldn't have been able to do it alone. A special thanks to Tom Keeley, Mark Lawrence Photographers, Mrs. Wolf and Mrs. Lariviere for putting up with us especially when we lacked motivation. We hope that you all enjoy this yearbook and that you come back to it years from now.

Congratulations Seniors 2012 and Best of Luck!
Love the Editors,

Allie Mitchell, Emma Tschirhart, Lexeen White and Marianna Paradise

Ms. Ginny Foulds Nurse

-To Our Good Friend and Coworker:

Good Friend

In-style always

Never hesitates to tell it like it is

Nurse Extraordinaire

You will be missed!!

-Pat Roy, Pat Grassis and Meagan DIMario

Dear Ginny,

Thank you for the kindness you always showed a lentered your world. You were a wonderful mento to me and you are a truly fantastic nurse. Your humor and presence are missed each day. NAHS students and staff were lucky to have such a wealth of knowledge and experience for such a long time. Enjoy your days and nights of retirement. Sleep late, read, travel, sit on the beach, dine with friends and most of all relax. You deserve it!

With much respect and adoration, Lauren McDonald

"I would like to thank Mrs. Foulds for all of her hard work and dedication to NAHS. I am sure that all the students will remember her for her work. Her support has helped make so many students feel better throughout the school year. The students appreciate all that she has done for us and I also appreciate her for her compassion and wisdom." Emily Kilcovne (Sophomore)

"Mrs. Foulds was the very best! Every time I felt sick she always knew how to cure me! I could not have asked for a better nurse. I hope she has a great retirement!" Alec Brown (Junior)

Martha Fredo was such a caring educator to students and fellow workers. She truly believed, that we, as educators, should always put the children's needs first. I miss her help and friendship each day, but wish her a wonderful retirement. It was fun to work side by side for so many years and to share so much laughter. Thanks for the memories.

Jan Micklo

Ms. Martha Fredo Paraprofessional

Dear Martha,
I am so happy for you in your retirement. If
there was ever a person that
deserves the time to rest, be with her
family, and of course, visit the beach on
a regular basis (any beach will do)...it is
you! Your hard work, dedication, and
kindness are just some of the things that
made you a great educator, co-worker,
and friend. I especially want to thank you
for all of your support, both in and
out of the classroom. You helped keep me
sane! Thanks for all the memories and
great laughs! Make sure you come back
and visit...you will be greatly missed!

Love, Kerry Perry

Dear Martha,

Congratulations! It was an absolute pleasure to work and share so many great memories with you at the NAHS. Your compassion and devotion to the students was evidenced in your kind demeanor and hard work each and every day. It was your positivity however, that touched me most. Although you will truly be missed, I hope that you attack retirement the same way you did employment as an educator; with passion, laughter and dedication. Let's get together soon!

Drama Guild is a group of students involved in the fall play and spring musical. They also take part in Drama Fest which is an acting competition where they compete against other schools. Advisor: Linda Schoolmaker.

GSA

GSA provides a fun, safe environment for LGBTQ students and their alliances to explore and discuss LGBTQ issues and activities. Advisor: Ms. McFarland.

Art Club

Art Club is a place for students to express their artistic personalities and teach each other technique. They are able towork on personal projects or group projects once a week. Advisor: Ms. Veikman.

National Honor Society is a service organization whose membership is made up of junior and senior students who have met the high standards of character, leadership, service, and scholarship. A student becomes eligible for consideration if he or she has a 3.7 GPA by the end of the first trimester of the current year. A student must maintain this level of scholarship to remain a member of NHS. Advisor: Ms. Carroll.

Chorus

Concert choir is a vocal chorus ensemble where students learn the fundamentals of music, singing, and vocal technique. The choir performs in winter and spring concerts as well as in and out of state festivals. Advisor: Ms. Durkin.

Student Ambassadors

Student Ambassadors Club works to improve school cultures and positively impact out community by providing a welcome and inclusive environment at NAHS. One of our objectives is to provide a social "safety net" for new students. Also we serve as liaisons for the high school at public events such as Open House, Scholarship Knight, etc.

Advisor: Mr Nugent.

Math Team

The North Andover High School Math Team is a talented group of students who enjoy tackling mathematical challenges. Freshmen as well as upperclassmen sharpen their problem-solving skills at weekly practices. Monthly competitions versus other schools take place October through March. Members develop a true sense of teamwork by participating in the team competitions. Advisor: Ms. O'Donnell.

Environmental Club

The Environmental Club meets once a week and they discuss various ways to take care of the recycling and how to keep North Andover clean. The main goal is to educate others about the environment. Advisor: Mr. Anderson

Anime Club

Otaku Club (Anime Club) meets to primarily watch and discuss anime. They participate in FUNimation's Operation Anime as well. They discuss cosplay and cons and host tournaments and have pokemon battles. Artists also bring their work to share. Our official mascot is Domo. Advisor: Ms. Harrington.

Science Team

The Science Team consists of students who have strong interests in science. They practice once a week from September to March in preparation for competitions. They compete in the Massachusetts Regional Science Bowl and the New England Blue Lobster Ocean Science Bowl. Advisors: Ms. Carroll and Ms. Larcome

DECA

DECA is an international association of students interested in the field of business, management, finance and entrepreneu ship. This chapter attends other DECA chapters and serves to broaden students interest in the business field. Advisors: Mr. Marfione and Mr. Oberlander.

Interact Club

Interact Club is sponsored by a local Rotary Club and is geared toward helping the community. Various service projects include monthly visits to the Meadows Nursing Home, participation in Ghoul School Halloween Fair and many fundraisers for charities. Advisor: Mr. Nugent.
